

## JUST A MINUTE OF PEACE DECLARATION

I, hereby proclaim my dedication and observance of a universally recognized minute of peace at 11:11.

"It is our desire that this first minute will lead to the first hour, and give hope for a day and a future of peace. "

I declare my commitment to a human reconciliation, mutual respect, environmental responsibility and sustainable development in order to create a better world. This symbolic gesture will promote the values that unite us to take one step forward in order to live in a world of peace and human rights.
